

## COMMERCIAL AUTHOR'S DECLARATION

Please complete this declaration if you are an author of learning material such as e-learning and you work for a pharmaceutical company, device company or other commercial organisation providing healthcare products (for more detail see our guidelines 'Involvement of pharmaceutical companies, device companies and other commercial organisations providing healthcare products')

<b>Event name:</b>	
<b>Provider organisation name:</b>	
<b>Title of talk:</b>	
<b>Date of event:</b>	

I understand that in educational material approved by the Federation of the Royal Colleges of Physicians of the UK there can be no promotional activity within the educational content and that there must be no bias towards the use of an commercial product that does not represent current evidence-based professional practice.

As an author of the above learning material, I declare that:

- A. I have not included promotional material of any sort and there are no company or product logos in the educational material.
- B. One of the following criteria applies:
  1. The topic is within my area of expertise and the content is not related to the business lines or products of the commercial organization I represent, or
  2. The content is limited to basic science research, such as preclinical research, drug discovery, or the methodologies of research and I do not make care recommendations
